

## OAP STATE MEET STUDENT HONOR CREW

The OAP Honor Crew was initiated in 1977 when the State Office invited Austin ISD high school theatre arts students to serve on the State Meet One-Act Play Contest production staff. For several years, we experimented with students from ten Austin area school districts. In 1982, this highly successful program was made available to students from all UIL member high schools and students from twenty-four districts were chosen in the first competitive process.

Please find enclosed the nomination form for an outstanding technical theatre student from your high school. You may nominate no more than *two* students who are **sophomores or juniors**. Students selected will serve as members of the 84th State One-Act Play Contest production staff. The State Meet One-Act Play Contest is May 6-8 this year. Nominations should be based on academic and production excellence in your theatre arts program. We will be using two separate facilities this year and will function as two separate crews: one for Bass (3A, 4A, 5A) and one for Hogg (2A, A).

Since our motivation is extension teaching as well as recognition, special emphasis will be given to **junior** students. It is required that students be nominated by the high school principal or superintendent, be recommended by their UIL OAP director AND have one additional teacher (or adult) recommendation.

Students nominated must be academically capable and eligible. It will be necessary for those selected in 3A, 4A & 5A to be in Austin from Wednesday late afternoon, May 5, through Saturday evening, May 8. Those selected from 2A & A will need to be in Austin from Thursday late afternoon, May 6, through Saturday evening, May 8. Exceptions will not be approved. The *school* must see that housing and transportation are provided.

A maximum of 40 honor crew members will be selected. Every effort will be made to select members from all regions and all conferences. Priority will be given to **junior students** who have served on UIL crews and have other background in technical theatre.

Students selected as Honor Members of the State Meet OAP staff will be involved in a learning experience otherwise available only to State Meet participants. They will be prepared for their responsibilities by the State Meet staff and crews. In order to provide the best learning experience, the students selected must be allowed to participate fully in production operations for the complete State Meet. **Students who cannot fully participate shall not be recommended.** Students certain to be involved in UIL State Meet activities should not be recommended and those selected prior to regional meets that become State Meet participants must be withdrawn. Extra students and sponsors cannot be accommodated. Two sponsors from the same school must be noted on the application and approved prior to arrival.

Orientation for honor crew will begin at 4:30 pm, May 5 (Bass) & May 6 (Hogg). Preparation and production activities are scheduled from 6:30 am to 11:30 pm for each day of the State Meet. Student schedules will be set to allow for seeing some performances, but the schedule will be demanding. It is not always possible to accommodate schedules of those sponsors involved in other activities, especially judging debate.

This experience for outstanding theatre arts students has provided enrichment for the entire school program for those participating. The League has received few negative evaluations from students, teachers, or administrators involved in its 30-year history. This invitation from the League to recognize outstanding technical theatre students as part of our State Meet production activities is issued after careful evaluation of past years and consultation with teachers and many administrators. All feel this recognition is a deserving addition to the Texas secondary theatre arts program.

Nominations for State Meet OAP Honor Crew must be postmarked no later than April 15. Final selection will be made and notification sent by FAX, e-mail or US mail to teachers and students by April 19. Telephone notification will be made where necessary. Students from schools qualifying for the State Meet OAP contest or other UIL academic events must be withdrawn from the Honor Crew by immediately notifying the State Drama Director. **Students or directors** withdrawing from the Honor Crew without just cause (illness, disaster, or acts of nature) will render students from their school ineligible for nomination for a period of not less than two years. **It is essential that administrators, teachers, parents, and students be committed prior to nomination.** Theatre directors will be assigned to participate as a member of the House Staff. Administrators are encouraged to allow teachers this opportunity to learn by being involved in State Meet OAP operations. **Theatre director participation is required** for student nomination and their name(s) on the application indicates agreement to participate.

Each school may nominate no more than two students. Two schools in the same district or adjacent school districts may join together to nominate students to facilitate housing and transportation.

Final selection of the Honor Crew will be made by the State Meet OAP senior staff in consultation with the State Theatre Director. Early applications will be carefully considered. Honor Crew members are seldom chosen from the same school two consecutive years.

***PLEASE REVIEW and attach a signed copy of this page to the application.***
