

TETA  
ADJUDICATORS' ORGANIZATION  
2008-2009 MEMBERSHIP REQUIREMENTS

Prerequisites:

1. Attend a critic judging workshop followed by a renewal workshop every five years.
2. Have a four-year college/university or conservatory degree or certification in Theatre Arts.
3. Agree to become familiar with the rules of the One-Act Play Contest (OAP) and all sections of the UIL *Handbook for One-Act Play*.
4. Agree to serve as a single expert critic judge and abide by the "Judges Guide" in the UIL *Handbook for One-Act Play*. AO discourages serving on a panel because it deprives the student of the educational value of the critique.
5. Pay annual TETA dues of \$50.00 and TETAAO dues as prescribed by the Administrative Committee on or before September 15th of each year (dues are currently \$35.00 per year).

The designated representative of an institutional or organizational member does not pay individual TETA dues but must pay AO dues of \$35.00 if they intend to serve as critic judges. However, they will not be listed on the approved critic judge list until the institution or organization has paid its dues.

6. Attend a minimum of one regular or called meeting of TETAAO within each five year period.
7. Annually update a critic judge profile questionnaire with TETAAO which includes a brief biography emphasizing his/her background in educational theatre and commitment to extension teaching.
8. Agree to promptly send copies of your critic judge contracts to the state office.
9. Cooperate to the fullest extent with the Administrative Committee in all matters pertaining to the well-being of TETAAO.

Judges may be an administrator and/or teacher in a Texas public school not involved in the production, direction or critique of the one-act play entry from their school.
