

Basketball Six Foot Coaching Box

The UIL rules require the use of the 6 foot coaching box for basketball. The UIL office suggests taping the box boundary rather than painting. A type of tape should be available which will not mar the hardwood finish or tartan surface.

The intent of the 6 foot box is to define the area whereby the head coach only may sit, kneel or stand in front of their seat during play.

Thank you for your cooperation. If you have questions, please call the UIL office at 512-471-5883.
